Mr J. C. Collier
Barneville, Ga.

Dear Sir:

I regret that I am unable to claim kinship with such good company and such a goodly number of Colliers as are set forth in your letter of January 1st 1925. I left my home in Cambridge Mass in 1872 in my early "teens", at an age when I had little or no interest in the genealogy of my family and have made very little inquiry since.

If however, you should ever learn in the course of your investigations that any of Isaac Collier's antecedents or any collateral branch of his family stopped in Ireland on the way to America, and you will tell me about it, I will be very glad to go into the matter with you further.

Very truly Yours

J. J. Collier
